

towel folding

recreate the
style of your
at home.

how we did what we did...

CAT

1

1

Fold full size towel from top left hand corner.

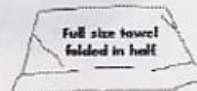

2

Roll and shape to form the tail (see illustration).

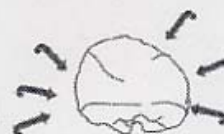

3

Fold full size towel in half.

4

Stuck in edges of towel to form the body.

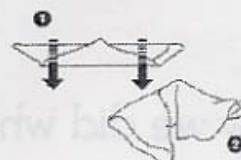

5

Combine tail and body together as shown. Next fold face cloth in half.

6

Fold point in towards long edge, and fold outside corners down.

7

Turn face cloth over, attach to body and accessorize!

BOAT

2

1

Lay hand towel flat.

2

Fold in half.

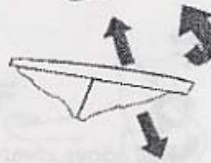

3

Fold ends of towel to meet as shown.

4

Fold bottom edge up toward point.

5

Turn towel towards you, pull out from center and refold.

6

Fold top point toward bottom point.

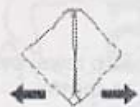

7

Turn over and repeat step 6.

8

Turn towel towards you, pull out from center and refold.

9

Hold bottom points, gently pull apart and flip.

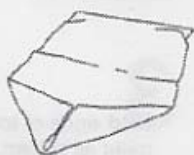

FROG

3

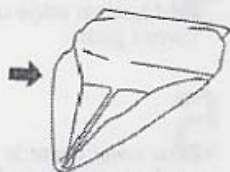

1 Lay hand towel flat.

2 Fold corners of towel as shown.

3 Roll edges toward center as shown.

4 Fold point 1/4 in toward center.

5 Flip towel over as shown.

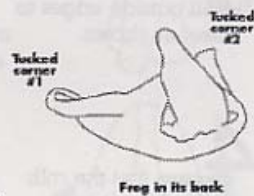

6 Roll bottom edge 2/3 toward top as shown.

7 Shape corners into curves as shown.

8 Turn towel over. Take tucked corners from back to front to meet at the center of frog. Wrap center point over and under tucked corners.

9 Stand frog up and turn it around...

10 Shape as seen and accessorize!

SWAN

4

1

Lay full size towel flat.

2

Fold ends of towel to meet as shown.

3

Roll outside edges to meet as shown.

4

Ensure that the rolls are tight and even.

5

Make a "Z" fold to create body and head.

6

Add accessories!

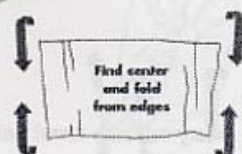

ELEPHANT

5

1
